

Nimble Gravity

We're not your typical data firm. We are a team of outdoor enthusiasts, adrenaline seekers, and experienced growth hackers. We don't just talk about solutions; we believe in action. Solving hard problems is in our DNA.

40K+

Annual Hours of Data Science Consulting

75+

Years of Founder Experience

900%

Employee HC Growth in 1 year

3

International Hubs of Operation

YOU WILL WORK WITH EXPERTS IN THE FIELD

We are more than just the founders. Our team is filled with experts that believe in collaboration and supporting another in a fun team environment.

YOU ARE MORE THAN AN EMPLOYEE NUMBER

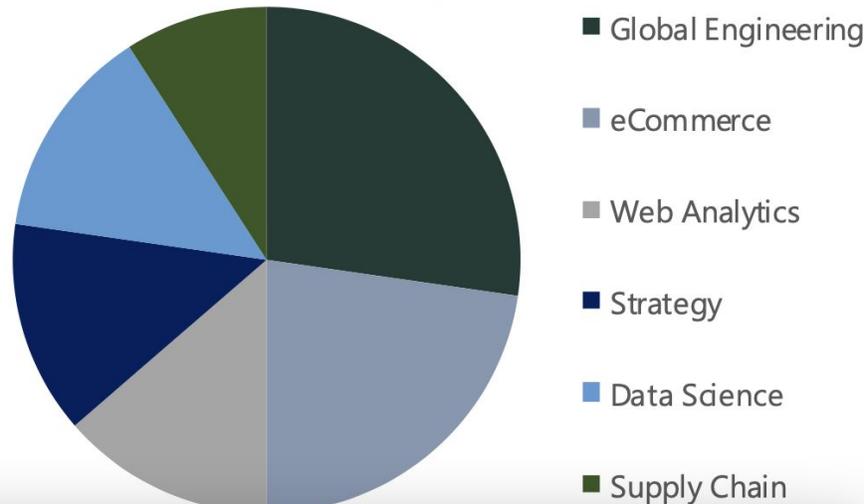

Our team is built on trust and respect for each member of the team. We believe in hiring the best and enjoying the people you are working with.

YOUR VOICE WILL BE HEARD

We are Nimble [nim-buhl]: quick and light in movement; moving with ease; agile;

We are Gravity [grav-i-tee]: the universal force that propels us, moves us forward, and keeps us grounded. We press in together to enjoy the ride – wherever it may take us.
